

**UNIVERSITY ENDOWMENT LANDS  
ADVISORY DESIGN PANEL MEETING  
Tuesday, February 3, 2009**

---

You are invited to attend a meeting of the UEL Advisory Design Panel, to be held on Tuesday, February 3, 2009 at 4:00 pm. in the UEL meeting room, located in the UEL Public Works Yard at 5495 Chancellor Boulevard, Vancouver, BC (at the intersection with Acadia Road).

**AGENDA**

**Agenda Item #1: Amendment/Variance to Development Permit #7/08  
4775 Chancellor Boulevard, Vancouver, BC**

This Application was received December 5, 2008. It requests an amendment to Development Permit #7/08 issued for renovations to an existing house in Area C. A Project Data Sheet is attached, and the plans can be viewed at the UEL Administration Office.

As the proposed amendment is to increase the size and scope of an existing non-conforming roof structure, it requires a variance under Section 63(1) of the Land Use, Building and Community Administration Bylaw.

No written comments or objections were received during the 10 day public review period.

Pursuant to Section 10 (12) (b) of the UEL Land Use, Building and Community Administration Bylaw, this Application must now be referred to the Advisory Design Panel for consideration. ADP Neighbourhood Panellists for Area C are requested to attend the meeting for this item.

**Agenda Item #2: Development Permit Application #6/08  
5633 Chancellor Boulevard, Vancouver BC**

This application was first considered by the Advisory Design Panel on December 2, 2008. In response to the recommendations of the ADP on this matter (attached), and the decision by the UEL to not approve the application, the applicant is proposing amendments to the application for consideration by the ADP. Amended development permit drawings will be available at the meeting.

Please note that the applicant and objectors have been invited to attend this meeting.

ADP Neighbourhood Panellists for Area B are requested to attend the meeting for this item.
