## **SCHEDULE 6:**

### **UNIVERSITY ENDOWMENT LAND NOISE CONTROL**

#### **Unreasonable noise**

1. No person shall, within the boundaries of the University Endowment Land, make or cause any noise or sound on a public or private place which disturbs unreasonably, or is likely to disturb unreasonably, the quiet, peace, rest, enjoyment, comfort or convenience of persons in the neighbourhood or vicinity.

#### **Specific prohibitions**

2. Without limiting the generality of Section 1 of this Schedule, no person shall, within the boundaries of the University Endowment Land,
  - (a) shout, use a megaphone or make a din or other disturbing noise in, at or on streets, parks or other public places,
  - (b) play any radio, phonograph, television receiving set, musical instrument or sound amplification device whether in or upon private premises or any public place in a volume so loud that it disturbs unreasonably, or is likely to disturb unreasonably, the quiet, peace, rest, enjoyment, comfort or convenience of individuals or the public,
  - (c) keep or harbour any animal or bird which, by making frequent or loud noise, disturbs unreasonably, or is likely to disturb unreasonably, the quiet, peace, rest, enjoyment, comfort or convenience of individuals or the public, and

- (d) operate any automobile, truck, motorcycle, bus or other vehicle which, by reason of disrepair, lack of sufficient muffler or any other cause, creates noise or sound that disturbs unreasonably, or is likely to disturb unreasonably, the quiet, peace, rest, enjoyment, comfort or convenience of individuals or the public.

### **Exception for Noise from Certain Activities**

- 3. Sections 2 and 3 of this Schedule do not apply to prohibit making or causing a sound or noise that is incidental to any of the following:
  - (a) operating an emergency vehicle as defined in the Motor Vehicle Act;
  - (b) giving a necessary danger or warning signal by sounding a horn or other signalling device on a vehicle;
  - (c) the use, in a reasonable manner, of any apparatus or mechanism for the amplification of music or the human voice in a public place in connection with any public meeting, public celebration or other public gathering.
  - (d) the use of church bells for church purposes;
  - (e) the construction, repair, excavation or demolition of a building or street between 7:30 a.m. and 7:00 p.m. Monday to Friday, excluding statutory holidays;
  - (f) the construction, repair, excavation or demolition of a building or street between 9:00 a.m. and 4:00 p.m. on Saturdays.
  - (g) where they cannot reasonably be delayed until normal working hours, emergency repairs to buildings and streets.
