

## **UNIVERSITY ENDOWMENT LANDS**

# **FILMING GUIDELINES**

### **1. GENERAL APPLICATION**

The University Endowment Lands (UEL) recognizes the benefits derived to the citizens of British Columbia by having a thriving film industry and wants to develop a policy which will allow filming within the UEL while still recognizing the desire of most of the residents of the UEL to continue to enjoy the peace and quiet of their residential neighbourhood. This policy is structured to achieve these goals.

All filming within the UEL will be done under permit and will be subject to the terms and conditions of this policy. Other agencies within this geographic area which may have to be consulted in the review process are: R.C.M.P. UBC Detachment, Metro Vancouver Pacific Spirit Park, University of British Columbia and the Ministry of Transportation and Transit.

### **2. OBJECTIVES**

- a) To ensure that the residents right to the quiet, peace, rest or enjoyment of their property is not unreasonably disturbed.
- b) To provide guidelines to assist residents who choose to use their property for filming purposes.
- c) To provide a clear set of procedures that will define the approval process.
- d) To ensure that all direct costs associated with filming within the University Endowment Lands are recovered.
- e) To protect the UEL and the Province against potential liability arising from filming activity.

### 3. INSURANCE

Applicants are required to purchase and maintain a minimum of \$5,000,000 Comprehensive General Liability Insurance and the University Endowment Lands, Province of British Columbia must be designated as a named insured. Permission for filming will not be granted until written proof of insurance on the form subscribed is submitted.

### 4. GENERAL CONDITIONS FOR FILMING WITHIN A RESIDENTIAL AREA

The following conditions should be reviewed prior to considering filming on the UEL. These have been developed to ensure residents enjoy the quiet of their property while providing the opportunity for filming to take place in a quiet attractive residential neighbourhood. By being sensitive to the needs of the community film companies will be able to continue to use the UEL for filming without encountering the "burn out" which has occurred in some areas of Vancouver.

- a) Generally, filming will be limited to a maximum of 6 days in any one location.
- b) Filming will not be permitted on more than 2 occasions at the same location within a 12 month period.
- c) Schedule 6 of the University Endowment Lands *Land Use, Building and Community Administration Bylaw* limits noise to the hours between:
  - 7:30 a.m. and 7:00 p.m. Monday to Friday, excluding statutory holidays; and
  - 9:00 a.m. and 4:00 p.m. on Saturdays.

There will be no filming allowed on Sunday, which is normally considered a day of quiet within the UEL.

- d) Residential streets will be used for essential unit vehicles at the film location, as many as possible should be accommodated on the property. The film company must locate parking off site for the film crew and make arrangements to shuttle the crew in from the remote location.
- e) Special arrangements should be made to locate generators etc. where the noise does not bother the adjoining property owner.
- f) Every effort should be made to move the film unit to and from the location during what might be considered regular business hours and not late at night or early in the morning.
- g) Arrangements for traffic control are to be made to the satisfaction of the R.C.M.P. As the UEL streets are narrow, parking will be permitted only on one side to permit access by emergency response vehicles. Acadia Road is the main route to the elementary school and nothing should occur to delay or interfere with the students on their way to or from school. In general street closures are discouraged and may only occur with the prior approval of the Manager.

## 5. APPLICATION

Filming may be approved subject to the conditions of this guideline upon written application. Applications shall be submitted in writing to the Manager of the University Endowment Lands.

A non-refundable fee of \$200.00 per day will be charged for processing each application.

Any work performed by UEL Public Works staff will be charged back to the film company. The use of metered parking areas are to be pre-paid in addition to costs associated with staff time to block the meters.
