

2023 Summer Newsletter

Territorial Acknowledgment

The University Endowment Lands (UEL) is situated on the traditional territory of the Coast Salish peoples, including the x̱məθḵw̱əy̱ əm (Musqueam), Sḵwx̱ wú7mesh Úxwumixw (Squamish), and s'əlílwətaʔ (Tsleil-Waututh) First Nation. The UEL is grateful for the opportunity to continue to provide services to its residents on this shared territory.

Tri-Annual Water Bill

Payment Due Dates	Jan 31 st :	Oct – Dec Billing Period
	Jun 30 th :	Jan – May Billing Period
	Oct 31 st :	Jun – Sep Billing Period

Any payment received after the due date is subject to a late payment charge. To pay by VISA or MasterCard call us at (604) 660-1808 during regular business hours.

Annual Backflow Test Reminder

Residents are reminded to test all backflow prevention devices on their property and submit the test report to the UEL Administration Office as soon as possible. Compliance with this requirement ensures that our drinking water continues to remain safe and protected.

Metro Vancouver Water Conservation

Capilano Reservoir

Please be advised that **effective August 4, 2023**, Metro Vancouver is activating Stage 2 of the [Drinking Water Conservation Plan \(DWCP\)](#). Please see the table below for more information.

Note: DWCP restrictions do not apply to the use of rainwater, grey water, or any forms of recycled water.

For more information, visit:

<https://metrovancover.org/services/water/lawn-watering-regulations>

Stage 3	 Lawn Watering Prohibited	 Sprinklers and Soaker Hoses Prohibited	Hand Watering or Drip Irrigation: Anytime	Anytime
Stage 4	All activities prohibited in emergency Stage 4.			

UEL Housing Needs Report

Earlier this year, the UEL released a Housing Needs Assessment as part of its implementation of the Area D Neighbourhood Plan. Please visit our website at www.universityendowmentlands.gov.bc.ca/ for more information and to review the full report.

Quiet Days (Sunday and Stats)

Did you know that Sundays and statutory holidays are considered quiet days in the UEL? The UEL Noise Bylaw prohibits any noise which is likely to disturb the quiet, peace and enjoyment of individuals on these days. Please be considerate of your neighbours, and schedule noisy activities such as lawn mowing, construction, or use of noisy equipment outside of these days.

UEL Multi-family Parking

In accordance with the parking requirements of the *Land Use, Building and Community Administration* Bylaw, only residents residing in multi-family (Area D Neighbourhood) residences constructed prior to 1970 are eligible for a multi-family parking permit.

Multi-family parking permits must be renewed annually and expire on September 30th of each year. Call us at (604) 660-1808 to confirm permitting requirements.

Dog Licensing

All dogs three months of age and older must be licensed within the UEL. The licences and tags may be obtained from the UEL Administration Office and must be renewed annually. If you haven't renewed yet for 2023, it's time!

Recycling with GFL Environmental

Recycling for Areas A, B and C is managed by Recycle BC through their contractor GFL Environmental. They can be contacted for:

- Replacement blue and grey boxes
- Replacement yellow bags
- Missed collections, or other recycling inquiries

7 am – 6 pm, Monday to Friday, at (604) 282-7966 or srrecycle@gflenv.com.

Waste collection schedules for Areas A, B and C are available at our website under *Residential Services* and include the current recycling schedule from Recycle BC.

Organics Disposal Tips

Your organics (or green) waste tote can be used for more than your yard waste! Organics include:

- **Food scraps:** including meat, fish, poultry, bones, dairy products, bread, pasta, solidified fats and grease, fruit, vegetables, eggshells, coffee grounds, tea bags and plate scrapings
- **Food-soiled paper products:** including paper towel and tissues, parchment paper and paper takeout food packaging (make sure it's not coated in plastic!)
- **Yard trimmings:** including grass clippings, leaves, prunings, plants and branches

Hedge Trimming/Yard Maintenance

Property owners are responsible for maintaining their hedges at least 1 foot away from the sidewalk or lane to keep the area accessible and free of obstructions. Lawns, yards and boulevards must be maintained so that they are neat and tidy, with grass no longer than 4 inches.

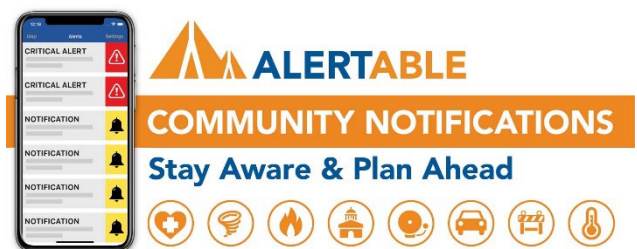

Human-Wildlife Conflict

Residents that observe or encounter dangerous wildlife in an urban area may report incidents to the BC Conservation Officer Service at 1 (877) 952-7277.

UEL Administration Office Hours

Our hours have changed! Going forward the office will be open 8:30 am to 12:00 pm and 1:00 pm to 4:30 pm, Monday to Friday.

Metro Vancouver Alert System

Sign up for free emergency alerts from Metro Vancouver through Alertable. Alertable is a mass public alert system to help you and your family stay informed and safe during an emergency.

To sign up today, please visit:
