

BLOCK F DEVELOPMENT

Musqueam is contemplating an OCP Amendment and Amendment to the Land Use, Building and Community Administration Bylaw from the existing MF-1 Zone which currently allows for the site to be developed with residential uses up to a density of 1.45 fsr.

You are invited to drop in to the third Open House to learn about Musqueam's

future development plans for Block F in the University Endowment Lands. At this event, a preferred development concept will be presented. Representtatives of the Project Team will be available to provide details and seek input.
